

To Our Valued Members & Guests,

Rhode Island is now in " **Phase 3**" of reopening RI. A few of the restrictions on golf courses have been amended.

The current guidelines are highlighted below:

- **Golf Carts are allowed with the following restrictions:** Two players are permitted to ride in the same cart if they reside in the same household or wear face coverings when riding together.

****If a player requires a single rider cart a \$5 charge will be applied****

- **Golf Carts** are on a first come basis and cannot be reserved ahead of time! Please be prepared to walk with pull cart in the event we run out of carts!
- **Pull Carts will once again be available for rent**
- Carts will be cleaned and sanitized before and after each round
- **Tee Time** intervals are STILL increased to spread players out
- Keep **6 Feet Distance** between all players and staff
- The **Cups** have been lined so you do not need to reach in to retrieve your ball
- Rakes have been removed from the course and these areas can be temporarily played as non hazards
- All Golfers must **cover their mouth and nose** with a mask or cloth face covering unless doing so would damage the persons health; Coverings are not required where golfers are able to maintain 6 feet of distance from other people
- Replace high fives, hand shakes, and hugs with other "touch-less" forms of greetings

Rhode Island Department of Business Regulations Guidelines for Golf Courses

The safety of our employees and our guests is of the utmost importance to us. The following is a reminder of guidelines we ask all guests to abide by while visiting Foster CC.

- **If you are sick (even with a common cold) STAY HOME!** We love you but we don't love your germs! If you are feeling a little under the weather we encourage you to get outside for fresh air but please do it at your own home. We will see you on the course as soon as you are feeling 100%.
- **Be responsible.** Be sure to use hand sanitizer (at least 60% alcohol) as often as necessary. Do not touch your face, mouth, nose, etc with your hands! It is your responsibility to keep yourself clean and not to spread any germs! Please personally **dispose of any trash in the receptacles upon completion of your round!**
- **Practice Social Distancing.** When checking in for your tee time only two golfers in the pro shop at a time please. Wait your turn on the patio and respectfully abide by the Social Distancing recommendations and keep 6 feet away from other golfers and our staff.

We appreciate each and every one of our members and guests and would like to thank you for your support, understanding, and patience this season. We are looking forward to more "normal" time ahead.

Join us after your round at the **Tavern 19** restaurant to try the most delicious wood fired pizza cooked in our new outdoor oven! [CLICK HERE](#) to view our most current menu.

Be Kind. Be Supportive. Be Well.

God Bless!

Bob and Amanda Forrest & The FCC Family
